**CELEBRATING A
HERITAGE**

*An
Evening
in
Tuscany*

Mission

The Poor Clares are a Franciscan contemplative order of nuns who came to America from Italy in 1878. The Sisters founded the first monastery here in Omaha with the help of Count John Creighton. They devote their entire life to prayer in a cloistered environment.

This event will encourage the continuation of loving prayer and religious life by helping to build a true monastery. It will also address the spiritual needs of the people of the Archdiocese of Omaha. The faithful will be able to come and take part in the liturgical services and find peace and solitude. The monastery will be open for daily celebration of the Eucharist as well as Eucharistic Adoration.

The Benedictines of Mount Michael have generously donated 6.6 acres of their land in Elkhorn for this purpose.
